# SUNDAY WORSHIP

Our new service times will be:

*9:00AM First Service in the Contemporary Style*

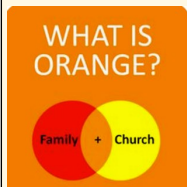

*10:00AM Sunday School*

## Adults and Teens

An exciting part of the Sunday School launch is that we are encouraging all adult and teen Sunday School classes to participate in a combined Sunday School class that **will be held in the Sanctuary**. We will be working through a six-week, video-based series by Kyle Idleman called **“The Christmas Experience.”** The videos represent a cinematic presentation that examines the Christmas story in detail, emphasizing how God chose each individual in the Christmas story for a specific purpose. We'll watch as Joseph leads his family with selfless faithfulness, as Mary follows obediently God's plan for her life, and as shepherds struggle with doubt as they wonder... could this really be their Savior?

We are looking for additional volunteers to work in the media center during Sunday worship for sound, general media, and now our "Livestream" process! No experience needed- just a willingness to learn and have a great time! This includes running the sound board, learning how to use our presentation software, and /or running the camera for our live streaming. **Again No experience need, just a desire to learn and have fun!**

**WE NEED  
YOUR HELP**

Have extra hours in your week? **Looking for a fun place to hang out.** Consider being a Yorkshire Church helper. **Responsibilities include** fogging rooms, lite tidying up of hallway and stairwells during pre-school sessions possibly very light maintenance if needed and joking with staff. Primary time of Church interactions would be between 9 and noon each weekday, or whenever you choose to stop by! Sounds like fun, right? (And it's free!) **So when are you stopping by?**
