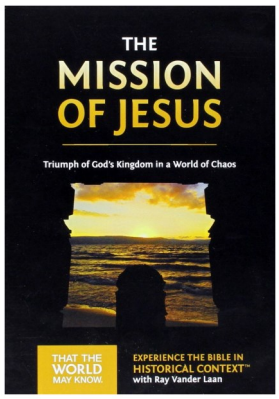
SANCTUARY CLASS: Pastor Dave



That The World May Know
The Mission of Jesus
Ray Vander Laan

It's easy to think of the Bible as a collection of short stories, but each one makes up a greater story – one story of a God who created the universe and entrusted it to His human partners to care for it. They were unfaithful, and it fell back into chaos and sin. But God didn't give up on His creation. He decided to redeem it, preparing the way through His covenant with Israel and finally by sending His son, Jesus, to become the cornerstone of it all through His life, death, resurrection, and ascension. What would this mean for a people oppressed by the Roman Empire, and what does it mean for believers today? Follow the rabbi through the world of Jesus, hiking through the Galilee region, exploring the ruins of Rome, and kneeling on the stones of the Temple Mount in Jerusalem as you discover how the gospel of Jesus confronts the gospel of Imperial Rome.

Room 202 Dale Achenbach and Steve Coates

A new Sunday School class beginning TODAY! The class will be entitled, "Christians in today's world - What we know and what we believe." This series, involving participation by class members through interactive discussions among all attendees, facilitated by the instructor, will focus on information made available in the public media, combined with the class members' Bible and Church based foundational knowledge so as to develop a well-rounded understanding of how to blend our faith with the forces of society swirling around us day by day. Life is about choices. How should we lead our families? How should we manage our finances? How should we handle relationships? God's word provides the answers. The book of Proverbs contains the greatest collection of wisdom ever recorded, written by one of the wisest men who ever lived. This study takes a fresh look at Proverbs and offers practical insights for making sound choices in every area of life.

Room 204: Susan Workinger

Susan Workinger will lead the class with others assisting. The class will use the book entitled ***Revealing the Mysteries of Heaven*** by Dr. David Jeremiah. Heaven does not have to be mysterious. What happens when we die? Is there an afterlife? Where do we go? Does the Bible give any details of heaven? Are there really streets of gold? Pearly gates? Has anyone ever been to heaven and returned with insider information? Find the answers to these and many other questions! If you plan to attend, please let Susan know if you would like the class book. Susan's contact information is: sworkinger9@gmail.com.

Children's Classes

Orange is a path, a strategy that combines the strength of two—yellow and red—to create the brilliance of another, Orange. By combining the critical influences of the light of the church (yellow) and the love of the family (red), the Orange strategy synchronizes efforts and shows a generation who God is, more effectively than either could alone. The Orange Strategy draws on the elements of wonder, discovery and passion, infusing them into children, students and young adults. Why? To see God for who He is, to help young people see themselves the way God sees them, so that they can love others the way God does.

Preschool/Pre-K: Room: 102: Several people will be rotating to teach.

Starting with wonder, Orange helps preschoolers embrace a God who is bigger than their imagination, then adds discovery so children can understand how to grow in their relationship with God. Finally, Orange fuels passion by giving students opportunities to be the church and to make a difference influencing their generation.
