Notes on Yorkshire Church remaining open for worship

As a church leadership team, we have worked through some very difficult decisions regarding whether or not our church will remain open for in-person worship. This is a decision that is comprised of many different inputs and emotions. Our decision to remain open may be looked at as a decision to not “lock our doors” or to deny anyone the right to worship within our facility. With this in mind, we will remain “open.” This does not mean that we expect our fellowship to all choose to worship “here.” We have spent a great deal of time and energy in developing an on-line worship format for those who determine it best to worship remotely. But, for those who are able and desire to worship here, we are ensuring that it can be done in a safe manner that meets and exceeds the necessary guidelines from the department of health and our local government leaders. We are in compliance with all of the orders and rules of both our government as well as our District leadership and we comply with the universal masking order mandated by our government and our district/conference leadership. In times such as this, we want to do all we can to meet each and every need of our fellowship community and it is in times such as these that we can most understand Christ’s command to love one another just as He loved us. Understanding and accepting our different needs and thought processes may be one of the great challenges the modern church may face. If you have any questions or concerns, please let me know. Thanks! — pastor dave

SUNDAY WORSHIP

Our service times are:

9:00AM *First Service in the Contemporary Style*

Advent reading by Josh and Jamie Strange and Family

10:00AM *Sunday School*

Adults and Teens

An exciting part of the Sunday School launch is that we are encouraging all adult and teen Sunday School classes to participate in a combined Sunday School class that **will be held in the Sanctuary**. We will be working through a six-week, video-based series by Kyle Idleman called “**The Christmas Experience**.” The videos represent a cinematic presentation that examines the Christmas story in detail, emphasizing how God chose each individual in the Christmas story for a specific purpose. We’ll watch as Joseph leads his family with selfless faithfulness, as Mary follows obediently God’s plan for her life, and as shepherds struggle with doubt as they wonder... could this really be their Savior?

YUM Youth is doing a reading plan together for the month of December! Please Join Us!

Below are the detailed plan, basically we are just reading one chapter of Luke every day until the end of the year. This will set us each up nicely for the new year, having just read about Jesus' birth, life, death, and resurrection. Don't worry if you miss a day or get behind. It happens to each of us. There is one catch up day at the end of the month. If you get more than one day behind, give yourself some grace and just pick back up wherever you are supposed to be on that day. My goal for us is to all finish together on New Year's Eve, having read about Jesus' resurrection, preparing our hearts for the new year!
