Sunday Worship

As of the publishing of these announcements, I remain uncertain as to the status of our media technology being fully available for this Sunday. It is not due to a lack of effort, but in availability of needed technology. Our media computer is now at Apple and I am hopeful that it can be repaired to buy us time to implement improved backup technology so that we can avoid future issues in our on-line worship. We will continue to provide the on-line streaming as in the past two weeks, but will have limited presentation capabilities such as on-screen lyrics and verses. I trust that our work around for the Sunday School livestream will continue to function adequately. I truly appreciate your patience. Thanks. -pastor dave.

Make Easter much more than just a holiday. The Easter Experience resources explore the life-changing meaning of Easter. Featuring dramatic story-telling with Biblical teaching from Kyle Idleman, The Easter Experience brings the passion and resurrection of Christ to life through the following lessons: My Life has a Purpose, My Life Can Change, My Pain is Understood, My Life has a Plan, I Have the Promise of Eternal Life, I Have a Hope that Never Dies. Kyle walks the streets of Jerusalem and through the crowds at the cross. He brings us into the story and reminds us that it all happened for our salvation. Yorkshire will support this series through our worship and messages. We will share this series in-person as well as our live stream.

BIBLE STUDIES

For Men

Men's Bible Fellowship Challenge will run for Lent.
8-week men's bible study

Wednesday morning, starting at 6:00 AM in the Fellowship Hall

to participate in a Series called "**Rough Cut Men**"

which will include a half hour video and 15-20 minutes of discussion and fellowship. Coffee and Donuts will be available. This early meeting time will allow those that are working plenty of time to get to work, and the rest to possibly continue in fellowship for breakfast at a local restaurant of choice— of course all of this will follow our existing safety guidelines and protocols. This is my Lenten Challenge to our men!

For Women

Calling all women of Yorkshire! **Monday nights, at 7:00 PM,**
we will be gathering together in the Sanctuary with socially distant and masks to go through

Priscilla Shirer's new bible study called *Elijah*.

A description of the study: "Every serious believer longs to summon up the kind of boldness and faith that can stand firm on Mount Carmel and pray down heaven into impossible situations. Yet few are willing to go through the process required to get them there. Strength of faith, character, and boldness can only be shaped in the hidden fires of silence, sameness, solitude, and adversity. Those who patiently wait on God in the darkness emerge with their holy loyalty cemented, their courage emblazoned, and their confident belief in Him set afire. Join Priscilla Shirer on this 7-session journey through the life and times of the prophet Elijah to discover how the fire on Mount Carmel was forged in the valley of famine. And how the emboldened, fiery faith you desire is being fashioned by God in your life right now."

Books are free to anyone who wants to participate. But if you are interested in offsetting the cost of the books, a recommended donation of \$15-20 would be appreciated. If you are uncomfortable or unable to join in person but would still be interested in doing the study on your own, please contact Megan Krusemark 717-755-4952 ext. 103 and she will get you access to the videos.
