SANCTUARY CLASS: Pastor Dave

That The World May Know

The Mission of Jesus

Ray Vander Laan

It's easy to think of the Bible as a collection of short stories, but each one makes up a greater story – one story of a God who created the universe and entrusted it to His human partners to care for it. They were unfaithful, and it fell back into chaos and sin. But God didn't give up on His creation. He decided to redeem it, preparing the way through His covenant with Israel and finally by sending His son, Jesus, to become the cornerstone of it all through His life, death, resurrection, and ascension. What would this mean for a people oppressed by the Roman Empire, and what does it mean for believers today? Follow the rabbi through the

world of Jesus, hiking through the Galilee region, exploring the ruins of Rome, and kneeling on the stones of the Temple Mount in Jerusalem as you discover how the gospel of Jesus confronts the gospel of Imperial Rome.

Room 202 Dale Achenbach and Steve Coates

A new Sunday School class beginning TODAY! The class will be entitled, "Christians in today's world - What we know and what we believe." This series, involving participation by class members through interactive discussions among all attendees, facilitated by the instructor, will focus on information made available in the public media, combined with the class members' Bible and Church based foundational knowledge so as to develop a well-rounded understanding of how to blend our faith with the forces of society swirling around us day by day. "Reference material - New Times Sunday edition for August 15, 2021, Sunday Review section, page SR4, A Guide to Finding Faith"

Parlor: Jamie Strange and Charlie Hoffman

The adult Sunday School class starts will be held in the first floor Parlor.

Jamie Strange and Charlie Hoffman will be leading the class. The class format will be a video-based class presented by Andy Stanley with a class discussion afterwards. The first series will be called **Guardrails**. Guardrails everywhere, whether we need them to be or not. The thing about guardrails is that we don't need them until we do. And when we need one, it can be the difference between life and death. If you have any questions, please contact Jamie:

Room 204: Susan Workinger

Susan Workinger will lead the class with others assisting. The class will use the book entitled *Revealing the Mysteries of Heaven* by Dr. David Jeremiah. Heaven does not have to be mysterious. What happens when we die? Is there an afterlife? Where do we go? Does the Bible give any details of heaven? Are there really streets of gold? Pearly gates? Has anyone ever been to heaven and returned with insider information? Find the answers to these and many other questions! If you plan to attend, please let Susan know if you would like the class book. Susan's contact information is: sworkinger9@gmail.com.

YOUTH CLASS

6th-12th Grade: ROOM 104: Pastor Megan and Joe Blackwood

Join us Sunday mornings at 10:15 in room 104 as we dive deeper into scripture to learn more about the life God has designed for us. Youth Sunday school will be a fun time of laughter, discussion, honesty, and prayer. See you there! If you have any questions, please contact Megan: mkruse-mark@yorkshireumc.org or 717-755-4952 ext.103

Children's Classes

Orange is a path, a strategy that combines the strength of two—yellow and red—to create the brilliance of another, Orange. By combining the critical influences of the light of the church (yellow) and the love of the family (red), the Orange strategy synchronizes efforts and shows a generation who God is, more effectively than either could alone. The Orange Strategy draws on the elements of wonder, discovery and passion, infusing them into children, students and young adults. Why? To see God for who He is, to help young people see themselves the way God sees them, so that they can love others the way God does.

Preschool/Pre-K: Room: 102: Several people will be rotating to teach.

Starting with wonder, Orange helps preschoolers embrace a God who is bigger than their imagination, then adds discovery so children can understand how to grow in their relationship with God. Finally, Orange fuels passion by giving students opportunities to be the church and to make a difference influencing their generation.

LEARNED FROM THE
7TH CAVALRY IN VIETNAM

YORK, PENNSYLVANIA, OCTOBER 8TH & 9TH
HERITAGE HILLS GOLF RESORT

2700 Mt. Rose Avenue, York, PA 17402

Victory in the battle of life comes by the hand of solid tactics, the undying resolve to win, and the unbreakable bonds of battle-hardened brotherhood. Using content from the film, *We Were Soldiers* and interviews with those who were in the brutal conflict portrayed therein, David Dusek shows men how to defend themselves and those around them from the attacks of Satan seeking to steal, kill, and destroy.

"Riveting and compelling, David has done a masterful job of using this story to open our eyes as men to the spiritual fight we are in."

IS YOUR HEART OPEN TO WHERE GOD WANTS TO LEAD YOU?

While on a trip to the Himalayas, David Platt saw such staggering physical and spiritual needs that it changed the course of his life. Now he's inviting us on a similar journey. It begins with the beauty of breathtaking heights, but quickly winds down into heartbreaking depths. As we travel with David through these mountain villages and the Gospel of Luke, we will encounter some difficult questions, but it's the answers that may challenge us the most.

A beautiful day for Rally Day 2021 at Yorkshire Church!

Thank You!

A great **BIG THANK YOU** to everyone who came out to support Rally Day this past Sunday. We estimate there were around 250 people laughing, eating, playing games, making crafts, and listening to Steven Courtney. It was a beautiful day watching the fellowship among the community and watching people being dunked. I would like to personally thank those who helped in any way!

God is good all the time!
