Adult Class

SANCTUARY CLASS: Pastor Dave

Philippians Bible Study: To Live is Christ & To Die is Gain, Matt Chandler

The story begins in Philippi, where Paul introduces three individuals that were all enslaved without the gospel. These individuals included, Lydia, the fortune telling slave-girl, and the hard working jailer. Their lives portray dysfunction and emptiness but are completely transformed by the Gospel. True joy and Christ's love begin to live within them, giving them a life of purpose. Paul himself was enslaved and then by God's grace and mercy he could pen these popular words "to live is Christ, and To die is gain" and "I can do all things **through** Christ who strengthens me"

Room 204: Susan Workinger

Susan Workinger will lead the class with others assisting. The class will use the book entitled *Revealing the Mysteries of Heaven* by Dr. David Jeremiah. Heaven does not have to be mysterious. What happens when we die? Is there an afterlife? Where do we go? Does the Bible give any details of heaven? Are there really streets of gold? Pearly gates? Has anyone ever been to heaven and returned with insider information? Find the answers to these and many other questions! If you plan to attend, please let Susan know if you would like the class book. Susan's contact information is: sworkinger9@gmail.com.

Parlor: Jamie Strange and Charlie Hoffman

The adult Sunday School class starts will be held in the first floor Parlor.

Jamie Strange and Charlie Hoffman will be leading the class. The class format will be a video-based class presented by Andy Stanley with a class discussion afterwards. The first series will be called **Guardrails**. Guardrails everywhere, whether we need them to be or not. The thing about guardrails is that we don't need them until we do. And when we need one, it can be the difference between life and death. If you have any questions, please contact Jamie: lexnmax78@yahoo.com

YOUTH CLASS

6th-12th Grade: ROOM 104: Pastor Megan and Joe Blackwood

Join us Sunday mornings at 10:15 in room 104 as we dive deeper into scripture to learn more about the life God has designed for us. Youth Sunday school will be a fun time of laughter, discussion, honesty, and prayer. See you there! If you have any questions, please contact Megan: mkruse-mark@yorkshireumc.org or 717-755-4952 ext.103

Children's Classes

Orange is a path, a strategy that combines the strength of two—yellow and red—to create the brilliance of another, Orange. By combining the critical influences of the light of the church (yellow) and the love of the family (red), the Orange strategy synchronizes efforts and shows a generation who God is, more effectively than either could alone. The Orange Strategy draws on the elements of wonder, discovery and passion, infusing them into children, students and young adults. Why? To see God for who He is, to help young people see themselves the way God sees them, so that they can love others the way God does.

Preschool/Pre-K: Room: 102: Several people will be rotating to teach.

Starting with wonder, Orange helps preschoolers embrace a God who is bigger than their imagination, then adds discovery so children can understand how to grow in their relationship with God. Finally, Orange fuels passion by giving students opportunities to be the church and to make a difference influencing their generation.

Card Shower

Sarah Berman is spending her first birthday away from home, while at college. If you would like to join in the festivities, please drop her a card (or email) to wish her a happy birthday. Let her know that we here at home are thinking of her on this special day. Her birthday is September 1. We just got her address information, so it will actually be a belated birthday greeting, but we're sure she will enjoy your thoughts and sentiments.
