That The World May Know

The Mission of Jesus

Ray Vander Laan

It's easy to think of the Bible as a collection of short stories, but each one makes up a greater story – one story of a God who created the universe and entrusted it to His human partners to care for it. They were unfaithful, and it fell back into chaos and sin. But God didn't give up on His creation. He decided to redeem it, preparing the way through His covenant with Israel and finally by sending His son, Jesus, to become the cornerstone of it all through His life, death, resurrection, and ascension. What would this mean for a people oppressed by the Roman

Empire, and what does it mean for believers today? Follow the rabbi through the world of Jesus, hiking through the Galilee region, exploring the ruins of Rome, and kneeling on the stones of the Temple Mount in Jerusalem as you discover how the gospel of Jesus confronts the gospel of Imperial Rome.

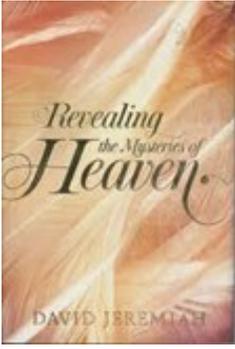

Room 202 Dale Achenbach and Steve Coates

A new Sunday School class beginning TODAY! The class will be entitled, "Christians in today's world - What we know and what we believe." This series, involving participation by class members through interactive discussions among all attendees, facilitated by the instructor, will focus on information made available in the public media, combined with the class members' Bible and Church based foundational knowledge so as to develop a well-rounded understanding of how to blend our faith with the forces of society swirling around us day by day. Life is about choices. How should we lead our families? How should we manage our finances? How should we handle relationships? God's word provides the answers. The book of Proverbs contains the greatest collection of wisdom ever recorded, written by one of the wisest men who ever lived. This study takes a fresh look at Proverbs and offers practical insights for making sound choices in every area of life.

Room 204: Susan Workinger

Susan Workinger will lead the class with others assisting. The class will use the book entitled *Revealing the Mysteries of Heaven* by Dr. David Jeremiah. Heaven does not have to be mysterious. What happens when we die? Is there an afterlife? Where do we go? Does the Bible give any details of heaven? Are there really streets of gold? Pearly gates? Has anyone ever been to heaven and returned with insider information? Find the answers to these and many other questions! If you plan to attend, please let Susan know if you would like the class book. Susan's contact information is: sworkinger9@gmail.com.

Children's Classes

Orange is a path, a strategy that combines the strength of two—yellow and red—to create the brilliance of another, Orange. By combining the critical influences of the light of the church (yellow) and the love of the family (red), the Orange strategy synchronizes efforts and shows a generation who God is, more effectively than either could alone. The Orange Strategy draws on the elements of wonder, discovery and passion, infusing them into children, students and young adults. Why? To see God for who He is, to help young people see themselves the way God sees them, so that they can love others the way God does.

Preschool/Pre-K: Room: 102: Several people will be rotating to teach.

Starting with wonder, Orange helps preschoolers embrace a God who is bigger than their imagination, then adds discovery so children can understand how to grow in their relationship with God. Finally, Orange fuels passion by giving students opportunities to be the church and to make a difference influencing their generation.

Covid Update

Over the past two weeks, we have had three breakthrough cases of Covid within our church fellowship. At no time were these individuals in the church while they were displaying symptoms. Everyone that had any contact with these folks have been notified. It is our policy, in the event that a person is in our facility who shows symptoms and/or a positive test result, to notify anyone that has been in contact with them, if this exposure was within 48 hours of their symptoms/result.

At this point, we have no evidence of any spread of the disease as a result of participation in worship or church related activities, but we will continue to do our part to communicate any situation that may result in an adverse result. As a reminder, we are asking folks to be cognizant that there are many cases within York County, and that we need to be diligent in our efforts to prevent further transmission.

Jesus commanded us to "Love one another as I have loved you."
(Notice: *There is no hugging and kissing in this verse!*)

Thank you. -pastor dave.

IS YOUR HEART OPEN TO WHERE GOD WANTS TO LEAD YOU?

While on a trip to the Himalayas, David Platt saw such staggering physical and spiritual needs that it changed the course of his life. Now he's inviting us on a similar journey. It begins with the beauty of breathtaking heights, but quickly winds down into heartbreaking depths. As we travel with David through these mountain villages and the Gospel of Luke, we will encounter some difficult questions, but it's the answers that may challenge us the most.

Youth News

Hey Youth!

For the **month of October**, we are going through the book of **1 Peter**. We have already started it and our first week was really enriching. I am excited as we dive together into the rest of this book!

Megan is getting married October 30th and leave for a 2 week (3 Sundays) on her honeymoon, so **she will be unreachable from 10/29-11/15**. However, we still have some fantastic events planned for the youth!

October 31st, Trick or Trunk is happening from **1-3pm**. Students are invited to bring a packed lunch if they are coming to church that morning so they have something to eat before set-up happens. Lots of volunteers are needed to work this event, so please consider attending and helping to ensure that the children have a great time trick or treating in our parking lot! Feel free to wear a costume! (as long as it's appropriate. Let's not try to scare any small children.). For any questions about this contact Pastor Dave- dkominsky@susumc.org

November 7th, youth will all head over to **Laser Alleys** for some bowling and laser tag! From **6-8pm**, **the entire family** is invited to hang out, get to know the other families in the youth group or catch up with old friends! The cost is **\$15/person** but if cost is an issue, please talk to me (before October 27th) and I will ensure your family can participate! Money should NEVER be a reason a student doesn't do something! Because of the nature of the event, I ask that you **please bring your payment in CASH** instead of writing a check. I apologize for any inconvenience this causes but it'll be so much easier this way for the volunteer running the event. For any questions about this event, contact Linda Feeser at lfeeser@verizon.net. **To register your family, [click here](#) and fill out the form by October 31st!**

November 14th, The Kominsky's are having youth over to their house again (**220 Apple Tree Lane**)! From **6-8pm**, youth will hang out, play games, hopefully sit around a fire (weather pending). Dinner will be included. **Wear weather appropriate clothing** because you'll be outside unless it's raining. Any questions, direct them to Pastor Dave- dkominsky@susumc.org

November 21st, Youth will have a **questions night!** This is where they will dive into all the questions that have been put into our questions jar, as well as any they bring with them! So don't forget to fill that questions jar so we can dive into whatever doubts, fears, or confusions youth may have about their faith/the bible!
