# Children's Classes

Orange is a path, a strategy that combines the strength of two—yellow and red—to create the brilliance of another, Orange. By combining the critical influences of the light of the church (yellow) and the love of the family (red), the Orange strategy synchronizes efforts and shows a generation who God is, more effectively than either could alone. The Orange Strategy draws on the elements of wonder, discovery and passion, infusing them into children, students and young adults. Why? To see God for who He is, to help young people see themselves the way God sees them, so that they can love others the way God does.

### **Preschool/Pre-K: Room: 102:**

#### **Several people will be rotating to teach.**

Starting with wonder, Orange helps preschoolers embrace a God who is bigger than their imagination, then adds discovery so children can understand how to grow in their relationship with God. Finally, Orange fuels passion by giving students opportunities to be the church and to make a difference influencing their generation.

# Youth News

**November 21st,** Youth will have a **questions night!** This is where they will dive into all the questions that have been put into our questions jar, as well as any they bring with them! So don't forget to fill that questions jar so we can dive into whatever doubts, fears, or confusions youth may have about their faith/the bible!

**November 28th, NO YOUTH GROUP** because of our congregational meeting.

This week was the **Preschool Potato Patrol!** Preschoolers (and helpers) counted out bags of potatoes to give to families in need as part of a Thanksgiving meal basket.

Pastor Dave and Holly had the youth group over to their house last Sunday for a game night. It was so much fun for everyone!
