That The World May Know The Mission of Jesus

Ray Vander Laan

It's easy to think of the Bible as a collection of short stories, but each one makes up a greater story – one story of a God who created the universe and entrusted it to His human partners to care for it. They were unfaithful, and it fell back into chaos and sin. But God didn't give up on His creation. He decided to redeem it, preparing the way through His covenant with Israel and finally by sending His son, Jesus, to become the cornerstone of it all through His life, death, resurrection, and ascension. What would this mean for a people oppressed by the Roman Empire, and what does it mean for believers today? Follow the rabbi through the world of Jesus, hiking through the Galilee region, exploring the ruins of Rome, and kneeling on the stones of the Temple Mount in Jerusalem as you discover how the gospel of Jesus confronts the gospel of Imperial Rome.

PARLOR: Jamie Strange and Charlie Hoffman

Life is about choices. How should we lead our families? How should we manage our finances? How should we handle relationships? God's word provides the answers. The book of Proverbs contains the greatest collection of wisdom ever recorded, written by one of the wisest men who ever lived. This study takes a fresh look at Proverbs and offers practical insights for making sound choices in every area of life.

ROOM 202: Dale Achenbach and Steve Coates

"Christians History Made Easy"

The subject matter for this adult Sunday School class for the current period, beginning January 2, 2022 and extending through February will be a 12-session DVD series entitled: Christian History Made Easy, based on 45-minute documentary-style and entertaining lectures presented by Dr. Timothy Paul Jones. The series takes the class on a tour through the most important events of Christian history from the time of the apostles until today. To date, we've completed three sessions and have nine more to go to complete the series. Our class leaders will facilitate interactive discussions among class attendees, based on Dr. Jones' teachings, with the intention of blending the detailed knowledge of Dr. Jones with the personal observations and insights of those who attend the sessions.

ROOM 204: Susan Workinger

"Revealing the Mysteries of Heaven"

Dr. David Jeremiah.

Heaven does not have to be mysterious. What happens when we die? Is there an afterlife? Where do we go? Does the Bible give any details of heaven? Are there really streets of gold? Pearly gates? Has anyone ever been to heaven and returned with insider information? Find the answers to these and many other questions! If you plan to attend, please let Susan know if you would like the class book. Susan's contact information is: sworkinger9@gmail.com.

Children's Classes

Orange is a path, a strategy that combines the strength of two—yellow and red—to create the brilliance of another, Orange. By combining the critical influences of the light of the church (yellow) and the love of the family (red), the Orange strategy synchronizes efforts and shows a generation who God is, more effectively than either could alone. The Orange Strategy draws on the elements of wonder, discovery and passion, infusing them into children, students and young adults. Why? To see God for who He is, to help young people see themselves the way God sees them, so that they can love others the way God does.
