Then I heard the voice
of the Lord saying,
“Whom shall I send?
And who will go for
us?”

And I said, “Here am I.
Send me!”

Children's Classes

Orange is a path, a strategy that combines the strength of two—yellow and red—to create the brilliance of another, Orange. By combining the critical influences of the light of the church (yellow) and the love of the family (red), the Orange strategy synchronizes efforts and shows a generation who God is, more effectively than either could alone. The Orange Strategy draws on the elements of wonder, discovery and passion, infusing them into children, students and young adults. Why? To see God for who He is, to help young people see themselves the way God sees them, so that they can love others the way God does.

SANCTUARY VIDEO STUDY: WALKING WITH GOD IN THE DESERT

Throughout the Bible, the desert functions as an image of discord, of loss of control, and of separation from the safety of society. Barren and deadly, the wasteland places of the text meant certain death without access to resources. Many times God led His people through the desert, where they learned that they would have to depend on His provision for all of their needs. What are the difficult places in your life, the moments of loss and pain that can seem impossible to survive? Find God in your deserts as you travel through Sinai, Paran, Zin, the Negev, and the wilderness of Judea.

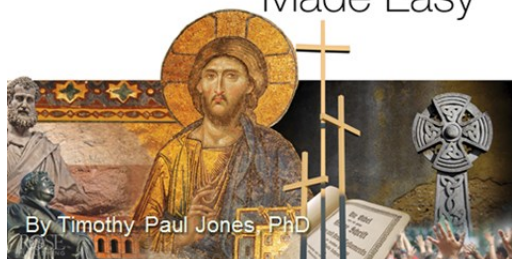

PARLOR: Jamie Strange and Charlie Hoffman

Life is about choices. How should we lead our families? How should we manage our finances? How should we handle relationships? God's word provides the answers. The book of Proverbs contains the greatest collection of wisdom ever recorded, written by one of the wisest men who ever lived. This study takes a fresh look at Proverbs and offers practical insights for making sound choices in every area of life.

Christian History Made Easy

"Christians History Made Easy"

The subject matter for this adult Sunday School class for the current period, through February will be a 12-session DVD series entitled: Christian History Made Easy, based on 45-minute documentary-style and entertaining lectures presented by Dr. Timothy Paul Jones. The series takes the class on a tour through the most important events of Christian history from the time of the apostles until today. To date, we've completed three sessions and have nine more to go to complete the series. Our class leaders will facilitate interactive discussions among class attendees, based on Dr. Jones' teachings, with the intention of blending the detailed knowledge of Dr. Jones with the personal observations and insights of those who attend the sessions.

ROOM 204: Susan Workinger

"Revealing the Mysteries of Heaven"

Dr. David Jeremiah.

Heaven does not have to be mysterious. What happens when we die? Is there an afterlife? Where do we go? Does the Bible give any details of heaven? Are there really streets of gold? Pearly gates? Has anyone ever been to heaven and returned with insider information? Find the answers to these and many other questions! If you plan to attend, please let Susan know if you would like the class book. Susan's contact information is: sworking-er9@gmail.com.
