## Children's Classes

Orange is a path, a strategy that combines the strength of two—yellow and red—to create the brilliance of another, Orange. By combining the critical influences of the light of the church (yellow) and the love of the family (red), the Orange strategy synchronizes efforts and shows a generation who God is, more effectively than either could alone. The Orange Strategy draws on the elements of wonder, discovery and passion, infusing them into children, students and young adults. Why? To see God for who He is, to help young people see themselves the way God sees them, so that they can love others the way God does.

### SANCTUARY VIDEO STUDY: WALKING WITH GOD IN THE DESERT

Throughout the Bible, the desert functions as an image of discord, of loss of control, and of separation from the safety of society. Barren and deadly, the wasteland places of the text meant certain death without access to resources. Many times God led His people through the desert, where they learned that they would have depend on His provision for all of their needs. What are the difficult places in your life, the moments of loss and pain that can seem impossible to survive? Find God in your deserts as you travel through Sinai, Paran, Zin, the Negev, and the wilderness of Judea.

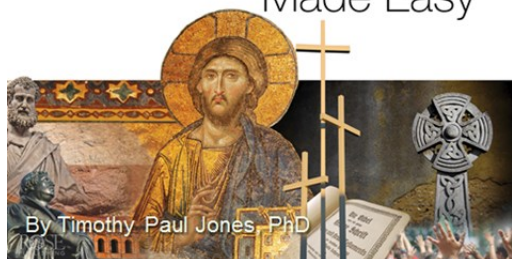

## PARLOR: Jamie Strange and Charlie Hoffman

Life is about choices. How should we lead our families? How should we manage our finances? How should we handle relationships? God's word provides the answers. The book of Proverbs contains the greatest collection of wisdom ever recorded, written by one of the wisest men who ever lived. This study takes a fresh look at Proverbs and offers practical insights for making sound choices in every area of life.

### Christian History Made Easy

### "Christians History Made Easy"

The subject matter for this adult Sunday School class for the current period, through February will be a 12-session DVD series entitled: Christian History Made Easy, based on 45-minute documentary-style and entertaining lectures presented by Dr. Timothy Paul Jones. The series takes the class on a tour through the most important events of Christian history from the time of the apostles until today. To date, we've completed three sessions and have nine more to go to complete the series. Our class leaders will facilitate interactive discussions among class attendees, based on Dr. Jones' teachings, with the intention of blending the detailed knowledge of Dr. Jones with the personal observations and insights of those who attend the sessions.

Men's Fellowship : Wednesdays on the Sixes 6AM & 6PM  
Begins on February 23<sup>rd</sup> - All are welcome!

## JAMES

This 13-session study examines the core message of James: the relationship between faith and works. In our own ability, we cannot stand in the face of adversity. Without faith we could never find the strength to trust God. We would never be able to see above the trials we meet and to keep our eyes focused on the King while counting our trials as joy. This is the essence of James. We don't work to be saved; we work because we are saved. Faith apart from works can never be sustained.

### **"Encountering God"** by Kelly Minter

a 7-session Bible study that unpacks the biblical foundation for spiritual disciplines along with approachable ways to practice disciplines like prayer, study, worship, rest, simplicity, generosity, celebration, and many more.
