Orange is a path, a strategy that combines the strength of two—yellow and red—to create the brilliance of another, Orange. By combining the critical influences of the light of the church (yellow) and the love of the family (red), the Orange strategy synchronizes efforts and shows a generation who God is, more effectively than either could alone. The Orange Strategy draws on the elements of wonder, discovery and passion, infusing them into children, students and young adults. Why? To see God for who He is, to help young people see themselves the way God sees them, so that they can love others the way God does.

SANCTUARY VIDEO STUDY: WALKING WITH GOD IN THE DESERT

Throughout the Bible, the desert functions as an image of discord, of loss of control, and of separation from the safety of society. Barren and deadly, the wasteland places of the text meant certain death without access to resources. Many times God led His people through the desert, where they learned that they would have depend on His provision for all of their needs. What are the difficult places in your life, the moments of loss and pain that can seem impossible to survive? Find God in your deserts as you travel through Sinai, Paran, Zin, the Negev, and the wilderness of Judea.

Christian History Made Easy

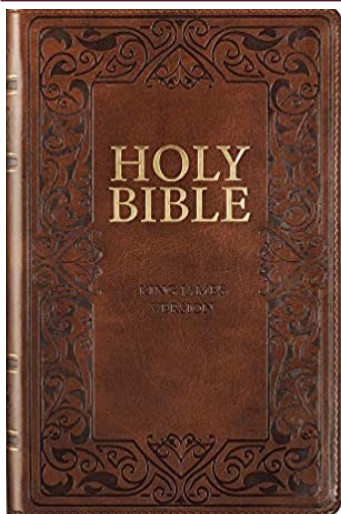

"Christians History Made Easy"

The subject matter for this adult Sunday School class for the current period, through February will be a 12-session DVD series entitled: Christian History Made Easy, based on 45-minute documentary-style and entertaining lectures presented by Dr. Timothy Paul Jones. The series takes the class on a tour through the most important events of Christian history from the

time of the apostles until today. To date, we've completed three sessions and have nine more to go to complete the series. Our class leaders will facilitate interactive discussions among class attendees, based on Dr. Jones' teachings, with the intention of blending the detailed knowledge of Dr. Jones with the personal observations and insights of those who attend the sessions.

ROOM 204: Susan Workinger

JAMES

This 13-session study examines the core message of James: the relationship between faith and works. In our own ability, we cannot stand in the face of adversity. Without faith we could never find the strength to trust God. We would never be able to see above the trials we meet and to keep our eyes focused on the King while counting our trials as joy. This is the essence of James. We don't work to be saved; we work because we are saved. Faith apart from works can never be sustained.

Hello Yorkshire Congregation!

Our Preschool is excited to announce that we are getting more involved with our community. We have become a Local Partner with Healthy Kids Running Series for Spring 2022!

Healthy Kids Running Series (HKRS) was created to motivate kids to lead a healthy lifestyle through running. It's an inclusive youth running experience where kindness is taught and every runner is cheered for. Through my son Parker, my family and I have attended this event for several years. It is a very positive and exciting affair. HKRS is a national organization and holds its annual event in York at Springettsbury Park- right in our backyard! The races start with 2-year-olds doing a 50-yard dash and continues up to high school aged kids running a two-mile race. The Spring 2022 series starts April 10th and goes to May 15th, skipping Easter Sunday. The first race starts at 4pm and the last race starts around 5pm.

During this weekly event we will have a table set up with promotional items and information about our Joyful Noise Christian Preschool. We would love to see the fellowship of Yorkshire Church come out and support this endeavor. There are opportunities to hold signs, cheer on the runners, man the information table or just be a spectator and soak in the positive atmosphere. If you sign up to cheer on the runners, you will get a front row seat watching those from age 2 through 18 trying their best to get to the finish line. It will be good for your heart, I promise.

We will need help on Sunday, April 10th, April 24th and May 1st, May 8th and May 15th from 3:30-5:30PM. If you would like to help during one of these dates and times, please let me know at church or by email, text or phone call.

On the last day of this event, Sunday, May 15th we will have a church wide picnic at the park after the races. More information to follow.

I will be happy to talk to anyone who is interested or has questions about this event. Thank you for your continued support of OUR Preschool!

Have a great day!
