FLOWERS

Centerpiece is presented by John and Linda Parkes to celebrate of Caitlyn Parkes 16th birthday.

EASTER FLOWERS

As orders for Easter flowers have significantly diminished over the past few years, we decided to try a different process for flowers. This year, we have purchased the flowers that we need to decorate the front of the sanctuary. We have 6 Lilies and 30 Tulips which cost a little over \$300.00. If you have an interest in Easter flowers as such, please prayerfully consider any donation amount to help us offset the cost and send the church office an email letting us know which flowers you are interested in. We will allot them on a first come first serve basis. This is not an auction or a bid process, simply first-come first served and there is no set donation amount- that is up to you. If you have any questions, please contact the church office, 717-755-4952.

A poster for an Easter Egg Hunt event. The background is a close-up of several colorful Easter eggs in shades of pink, yellow, and light blue. The text is overlaid on the eggs. At the top, it says "THE HUNT IS ON!" in large, bold, orange-outlined letters. Below that, "Saturday, April 9th 10-1" is written in a purple, shadowed font. The rest of the text is in white, bold, sans-serif font, listing the activities: "Hunts by Grade starting at 10:30", "Music by Steven Courtney Band of Friends", "Food by G's Concessions", "Kreutz Creek Library", "Obstacle Courses", "Craft Tables", and "and more!". JAMES

This 13-session study examines the core message of James: the relationship between faith and works. In our own ability, we cannot stand in the face of adversity. Without faith we could never find the strength to trust God. We would never be able to see above the trials we meet and to keep our eyes focused on the King while counting our trials as joy. This is the essence of James. We don't work to be saved; we work because we are saved. Faith apart from works can never be sustained.

"Encountering God" by Kelly Minter

a 7-session Bible study that unpacks the biblical foundation for spiritual disciplines along with approachable ways to practice disciplines like prayer, study, worship, rest, simplicity, generosity, celebration, and many more. Instead of being just one more thing on your to-do list, you'll find that these habits of faith can actually create more margin in your life—providing peace and rest as you walk closer with Jesus. See you there! Monday's 7:00 pm in Fellowship Hall.

Ladies of Yorkshire!

The next women's bible study is here! Join us at 7:00 pm Monday nights, starting May 2nd for Lisa Harper's study called How Much More: "The Bible is a Love Story. Maybe your head knows that God is always good, but your heart's not so sure. Or perhaps while reading Scripture, you've wondered if our Creator Redeemer went through a personality change—from strictly enforcing the rules in the Old Testament to loving the outcast in the New! In this 7-session Bible study, you'll discover divine love in the often overlooked and misunderstood passages. And you'll be delighted to find that Jehovah of the Old Testament is the same redemptive and compassionate God we see through Jesus Christ in the New Testament. He has always been and will always be for us!" **For more information, or to sign up, please contact Julie Mann at jncp@yorkshirechurch.org**

Children's Classes

Orange is a path, a strategy that combines the strength of two—yellow and red—to create the brilliance of another, Orange. By combining the critical influences of the light of the church (yellow) and the love of the family (red), the Orange strategy synchronizes efforts and shows a generation who God is, more effectively than either could alone. The Orange Strategy draws on the elements of wonder, discovery and passion, infusing them into children, students and young adults. Why? To see God for who He is, to help young people see themselves the way God sees them, so that they can love others the way God does.

SANCTUARY VIDEO STUDY: WALKING WITH GOD IN THE DESERT

Throughout the Bible, the desert functions as an image of discord, of loss of control, and of separation from the safety of society. Barren and deadly, the wasteland places of the text meant certain death without access to resources. Many times God led His people through the desert, where they learned that they would have depend on His provision for all of their needs. What are the difficult places in your life, the moments of loss and pain that can seem impossible to survive? Find God in your deserts as you travel through Sinai, Paran, Zin, the Negev, and the wilderness of Judea.

"Christians History Made Easy"

Christian History
Made Easy

The subject matter for this adult Sunday School class for the current period, through February will be a 12-session DVD series entitled: Christian History Made Easy, based on 45-minute documentary-style and entertaining lectures presented by Dr. Timothy Paul Jones. The series takes the class on a tour through the most important events of Christian history from the time of the apostles until today. To date, we've completed three sessions and have nine more to go to complete the series. Our class leaders will facilitate interactive discussions among class

attendees, based on Dr. Jones' teachings, with the intention of blending the detailed knowledge of Dr. Jones with the personal observations and insights of those who attend the sessions.
