## Children's Classes

Orange is a path, a strategy that combines the strength of two—yellow and red—to create the brilliance of another, Orange. By combining the critical influences of the light of the church (yellow) and the love of the family (red), the Orange strategy synchronizes efforts and shows a generation who God is, more effectively than either could alone. The Orange Strategy draws on the elements of wonder, discovery and passion, infusing them into children, students and young adults. Why? To see God for who He is, to help young people see themselves the way God sees them, so that they can love others the way God does.

### SANCTUARY VIDEO STUDY: WALKING WITH GOD IN THE DESERT

Throughout the Bible, the desert functions as an image of discord, of loss of control, and of separation from the safety of society. Barren and deadly, the wasteland places of the text meant certain death without access to resources. Many times God led His people through the desert, where they learned that they would have depend on His provision for all of their needs. What are the difficult places in your life, the moments of loss and pain that can seem impossible to survive? Find God in your deserts as you travel through Sinai, Paran, Zin, the Negev, and the wilderness of Judea.

### ROOM 204: Susan Workinger

#### “New Year, New Beginnings”

start at the beginning with us as we go through the book of Genesis.

We'll be going through familiar stories.... Creation, Adam, Noah, Abraham, Isaac, Jacob, and Joseph. As we read through The Word, we'll be using guides and discussing what God is telling us from 2000+ years ago before He sent His Son.

All are welcome, bring your Bible and join us.

### "Christians History Made Easy"

Christian History  
Made Easy

The subject matter for this adult Sunday School class for the current period, through February will be a 12-session DVD series entitled: Christian History Made Easy, based on 45-minute documentary-style and entertaining lectures presented by Dr. Timothy Paul Jones. The series takes the class on a tour through the most important events of Christian history from the time of the apostles until today. To date, we've completed three sessions and have nine more to go to complete the series. Our class leaders will facilitate interactive discussions among class

attendees, based on Dr. Jones' teachings, with the intention of blending the detailed knowledge of Dr. Jones with the personal observations and insights of those who attend the sessions.

# Yorkshire Meetings

**Sunday, May 1, 2022, 7:00PM.** This will be a Town Hall meeting of the church where the plans for the renovation/reconstruction work will be presented to you including costs, means of financing, and time-lines. We will be there to discuss any questions or concerns that you may have regarding the project. Although this will be done in a presentation format, there will be opportunity for questions, discussions, and fellowship interaction. Your support is important!

**Monday, May 2, 2022, 7:00PM.** This will be a Church Charge Conference, led by Reverend Chuck Sprenkle where the body of the church will have the opportunity to vote on moving forward with the building renovations. The scope of the project requires the church to finance the costs with a loan of approximately \$275,000. The church building will be used as collateral. This is all being proposed in accordance with the United Methodist Book of Discipline and an understanding of our current financial capabilities as Yorkshire Church.

# Weekly Bible Studies

Men's Fellowship : Wednesdays on the Sixes 6AM & 6PM  
Begins on February 23<sup>rd</sup> - All are welcome!

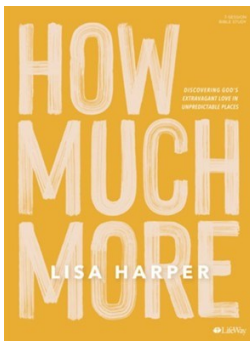

This 13-session study examines the core message of James: the relationship between faith and works. In our own ability, we cannot stand in the face of adversity. Without faith we could never find the strength to trust God. We would never be able to see above the trials we meet and to keep our eyes focused on the King while counting our trials as joy. This is the essence of James. We don't work to be saved; we work because we are saved. Faith apart from works can never be sustained.

## *Ladies of Yorkshire!*

The next women's bible study is here! Join us at 7:00 pm Monday nights, starting May 2nd for Lisa Harper's study called How Much More: "The Bible is a Love Story. Maybe your head knows that God is always good, but your heart's not so sure. Or perhaps while reading Scripture, you've wondered if our Creator Redeemer went through a personality change—from strictly enforcing the rules in the Old Testament to loving the outcast in the New! In this 7-session Bible study, you'll discover divine love in the often overlooked and misunderstood passages. And you'll be delighted to

find that Jehovah of the Old Testament is the same redemptive and compassionate God we see through Jesus Christ in the New Testament. He has always been and will always be for us!"
