## Christmas is Coming!

It is time to refresh and renew the Chrismon's that we use to decorate the tree. There is interest in forming a fellowship group to meet on a regular basis to begin this process. The patterns for counted cross stitch designs are ready to go, just need folks to come together, share in fellowship, and make these beautiful decorations.

Please let me know if you would be interested in participating in this fellowship effort, or you can simply contact the church office or Wendy Mingora at: [mingorafamilysix@gmail.com](mailto:mingorafamilysix@gmail.com) or "text" to (717)332-3219

Thanks! I think this will provide a great time of fun, fellowship as well as provide the church with wonderful updates to our Advent tradition.

## Children's Classes

Orange is a path, a strategy that combines the strength of two—yellow and red—to create the brilliance of another, Orange. By combining the critical influences of the light of the church (yellow) and the love of the family (red), the Orange strategy synchronizes efforts and shows a generation who God is, more effectively than either could alone. The Orange Strategy draws on the elements of wonder, discovery and passion, infusing them into children, students and young adults. Why? To see God for who He is, to help young people see themselves the way God sees them, so that they can love others the way God does.

## SANCTUARY VIDEO STUDY: WALKING WITH GOD IN THE DESERT

Throughout the Bible, the desert functions as an image of discord, of loss of control, and of separation from the safety of society. Barren and deadly, the wasteland places of the text meant certain death without access to resources. Many times God led His people through the desert, where they learned that they would have depend on His provision for all of their needs. What are the difficult places in your life, the moments of loss and pain that can seem impossible to survive? Find God in your deserts as you travel through Sinai, Paran, Zin, the Negev, and the wilderness of Judea.

JAMES

Teachers:  
Jaime Strange  
Charlie Hoffman

This 13-session study examines the core message of James: the relationship between faith and works. In our own ability, we cannot stand in the face of adversity. Without faith we could never find the strength to trust God. We would never be able to see above the trials we meet and to keep our eyes focused on the King while counting our trials as joy. This is the essence of James. We don't work to be saved; we work because we are saved. Faith apart from works can never be sustained.

**ROOM 204:** Susan Workinger

### **"New Year, New Beginnings"**

start at the beginning with us as we go through the book of Genesis.

We'll be going through familiar stories.... Creation, Adam, Noah, Abraham, Isaac, Jacob, and Joseph.

As we read through The Word, we'll be using guides and discussing what God is telling us from 2000+ years ago before He sent His Son.

All are welcome, bring your Bible and join us.

## ROOM 202: Dale Achenbach and Steve Coates

Class session will feature interactive discussions of weekly podcasts created by the editors of *Christianity Today* magazine.

Class attendees will pick from a list of over 200 podcast topics.

All topics are generally responsive to questions raised by Christians about the direction and relevance of their faith in today's world.

The first class will provide the attendees an opportunity to review such lists on-line and choose and prioritize topics for presentation and discussion in upcoming weeks.

Each weekly class session will then feature an on-line presentation of the selected podcast with time allowed either interactively or summarily for discussion among class

### ***Ladies of Yorkshire!***

Join us at 7:00 pm Monday nights, for Lisa Harper's study called How Much More: "The Bible is a Love Story. Maybe your head knows that God is always good, but your heart's not so sure. Or perhaps while reading Scripture, you've wondered if our Creator Redeemer went through a personality change—from strictly enforcing the rules in the Old Testament to loving the outcast in the New! You'll discover divine love in the often overlooked and misunderstood passages. And you'll be delighted to find that Jehovah of the Old Testament is the same redemptive and compassionate God we see through Jesus Christ in the New Testament. He has always been and will always be for us!" **For more information, or to sign up, please contact Julie Mann at [incp@yorkshirechurch.org](mailto:incp@yorkshirechurch.org)**
