Christmas is Coming!

It is time to refresh and renew the Chrismon's that we use to decorate the tree. There is interest in forming a fellowship group to meet on a regular basis to begin this process. The patterns for counted cross stitch designs are ready to go, just need folks to come together, share in fellowship, and make these beautiful decorations.

Please let me know if you would be interested in participating in this fellowship effort, or you can simply contact the church office or Wendy Mingora at: mingorafamilysix@gmail.com or "text" to (717) 332-3219

Thanks! I think this will provide a great time of fun, fellowship as well as provide the church with wonderful updates to our Advent tradition.

A Giving Heart Tree

Starting July 3rd until July 31st there will be a tree in the church

lobby with heart ornaments. On each heart there will be a wish list item for the Preschool or the Sunday School. If you feel moved to do so, please take a heart, purchase the item and bring the purchased item to the church

lobby by August 7th. If you wish to order the item on Amazon you can have it delivered right to the church. If you do not want to buy an item in store or on Amazon but would like to give a cash or check donation there will be a place by the tree to do so. Thank you for your continued support for all of our children's ministries.

Children's Classes

Orange is a path, a strategy that combines the strength of two—yellow and red—to create the brilliance of another, Orange. By combining the critical influences of the light of the church (yellow) and the love of the family (red), the Orange strategy synchronizes efforts and shows a generation who God is, more effectively than either could alone. The Orange Strategy draws on the elements of wonder, discovery and passion, infusing them into children, students and young adults. Why? To see God for who He is, to help young people see themselves the way God sees them, so that they can love others the way God does.

SANCTUARY VIDEO STUDY: WALKING WITH GOD IN THE DESERT

Throughout the Bible, the desert functions as an image of discord, of loss of control, and of separation from the safety of society. Barren and deadly, the wasteland places of the text meant certain death without access to resources. Many times God led His people through the desert, where they learned that they would have depend on His provision for all of their needs. What are the difficult places in your life, the moments of loss and pain that can seem impossible to survive? Find God in your deserts as you travel through Sinai, Paran, Zin, the Negev, and the wilderness of Judea.

PARLOR Sunday School Class

JAMES

Teachers:
Jaime Strange
Charlie Hoffman

This 13-session study examines the core message of James: the relationship between faith and works. In our own ability, we cannot stand in the face of adversity. Without faith we could never find the strength to trust God. We would never be able to see above the trials we meet and to keep our eyes focused on the King while counting our trials as joy. This is the essence of James. We don't work to be saved; we work because we are saved. Faith apart from works can never be sustained.

ROOM 204: Susan Workinger

"New Year, New Beginnings"

start at the beginning with us as we go through the book of Genesis.

We'll be going through familiar stories.... Creation, Adam, Noah, Abraham, Isaac, Jacob, and Joseph.

As we read through The Word, we'll be using guides and discussing what God is telling us from 2000+ years ago before He sent His Son.

All are welcome, bring your Bible and join us.

ROOM 202: Dale Achenbach and Steve Coates

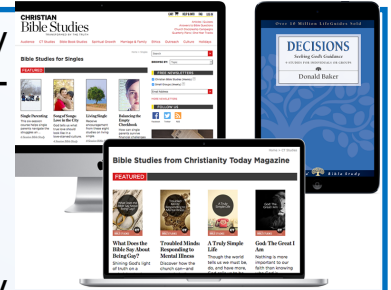

Class session will feature interactive discussions of weekly podcasts created by the editors of Christianity Today magazine.

Class attendees will pick from a list of over 200 podcast topics.

All topics are generally responsive to questions raised by Christians about the direction and relevance of their faith in today's world.

The first class will provide the attendees an opportunity to review such lists on-line and choose and prioritize topics for presentation and discussion in upcoming weeks.

Each weekly class session will then feature an on-line presentation of the selected podcast with time allowed either interactively or summarily for discussion among class attendees.

Bible Study

Men's Fellowship Summer Series

Wednesdays at:
6AM & 6:30PM

Our summer sessions will be comprised of a short video presentation on various topics presented by various speakers.

Following the video, we will discuss sections of C.S. Lewis's book, "The Screwtape Letters." Participants will receive the book as part of the Summer Series.

The primary focus will be to look at scriptural references to our video topic as well as from the book.

We will enjoy fellowship! ...and eat donuts... and hotdogs!

Renovation pics from the week of July 18-22:

Primary effort was on the installation of new water service and the plumbing for the new restrooms. The box that Steve and his team are working in is the new Water Meter Pit from which new, updated water service was provided into the facility which is the white pipe shown going into the building. Many of the necessary supplies were received and are now staged in the Fellowship Hall for the interior repairs and renovations. Everything is going very well according to our Project Leader, Steve Spangler!
