## **Ladies of Yorkshire Church!**

Join us at 7:00 pm on Monday nights starting September 12th, for “What Does It Mean To Be Chosen?” a nine-week Bible Study based on the television series “The Chosen”.

“Being chosen by Jesus has beautiful and far-reaching implications—although it says even more about the Chooser than the choosees. We are loved because He is love. We are saved because He is merciful. We belong to the family of God because Jesus invites us, making the Bible and all its promises as true for us today as it was for God’s chosen people. What does it *actually* mean to be Chosen? To answer that question, we’re going Old school—Testament that is—which leads us back to the New. Which always leads us directly to Jesus.”

## **HELP WANTED:**

If you’re looking for a way to help our Preschool, Sunday School, Youth, or Climb ministries, be sure to check out our new communication board located in the Narthex. When we are in need of donations or extra help with a project, opportunities will be posted on this board.

We had a great  
first week!

# Missions Update From Micah Ruch, CRU

**The first few weeks of campus ministry always feel like a sprint to meet as many students as possible, and this year is no different. This past week was filled with different social events as well as being on campus with surveys to try and get students plugged in to Cru. There were also times of initiative evangelism on campus trying to have spiritual conversations with students. Throughout the first week, myself and others have felt what seems to be an increased hardness of heart and resistance to Christians and the gospel. I wanted to bring this to you so that you can be praying**

**One of our student leaders met up with a student named Kyra on campus who messaged us online and wanted to meet up with someone to ask questions about what we believe as Christians. During their meeting, Kyra heard the gospel proclaimed and responded in faith! She prayed to receive Christ at the Starbucks on campus. This was a great encouragement to me during a challenging week of ministry. Please pray for Kyra's growth in Christ and that she would be disciplined well!**

**The weekend that students arrived, we had a bonfire to meet new students on campus. This was an incredible time in which many students who were not plugged in with Cru came to hang out with us! My favorite part of the night came with talking with two guys, Ethan and Joe, who were walking by and invited to come make a s'more. As we talked longer, I asked about their spiritual background and current thoughts towards God. Ethan replied with a question that he wrestles with, "How could a good and loving**

**This provided an opportunity to talk with these guys about the reality of our sin and our rebellion against God and how we often deem ourselves innocent in the matter, when that is far from the truth. I was able to briefly share the gospel with them and about the love of God displayed in sending Jesus to die upon the cross for our sins. Would you please pray for these two men that they would respond in faith and receive Jesus as Lord and Savior?**

# Sunday School & Educational Program:

Sunday School Classes are held at 10:15 AM.

Please come and grow in fellowship with others and more importantly with the Lord.  
All are welcome!

## Children's Classes

Orange is a path, a strategy that combines the strength of two—yellow and red—to create the brilliance of another, Orange. By combining the critical influences of the light of the church (yellow) and the love of the family (red), the Orange strategy synchronizes efforts and shows a generation who God is, more effectively than either could alone. The Orange Strategy draws on the elements of wonder, discovery and passion, infusing them into children, students and young adults. Why? To see God for who He is, to help young people see themselves the way God sees them, so that they can love others the way God does.

Preschool - 2nd Grade: Room 203: Mrs. Barb Snare

## SANCTUARY VIDEO STUDY: WALKING WITH GOD IN THE DESERT

Throughout the Bible, the desert functions as an image of discord, of loss of control, and of separation from the safety of society. Barren and deadly, the wasteland places of the text meant certain death without access to resources. Many times God led His people through the desert, where they learned that they would have to depend on His provision for all of their needs. What are the difficult places in your life, the moments of loss and pain that can seem impossible to survive? Find God in your deserts as you travel through Sinai, Paran, Zin, the Negev, and the wilderness of Judea.
